# Introduction

---

DOGEWOW is a crypto-based Metaverse token on Binance Smart Chain. Through utilizing smart tax structures that rewards its holders and by building a strong community, we're aiming to create a link between cryptocurrency, NFTs and the crypto sector. The long-term goal of this is to at some point have a platform where users can compare all crypto coins, NFTs, Stake, WOWSwap and so on through our platform. DOGEWOW will also be doing regular giveaways of package holidays and other crypto related projects to its lucky holders. DOGEWOW Rewarding In \$DOGE, this is your last chance, HOLD your DOGEWOW Bag, Earn \$DOGE directly into your wallet.
